Qualifying PHARMENA SA to the NewConnectLead segment

The Management Board of PHARMENA S.A. informs that according to the announcement of the Warsaw Stock Exchange Management Board dated 27 March 2015 PHARMENA S.A. has been once again qualified into the NewConnectLead segment. Nomination to this prestigious segment of companies resulted from high liquidity of PHARMENA S.A. shares, as well as from meticulous fulfilment concerning information obligations and corporate governance practices.

The information is made public due to the fact that qualification of PHARMENA S.A. into the NewConnectLead segment proves the liquidity of its financial instruments and meticulous fulfilment concerning information obligations demanded from companies listed on the NewConnect Market.
