Commencing cooperation with PDF Slawex Sp. z o.o.

The Management Board of PHARMENA S.A. informs that on 5th June 2012, the Company commenced direct cooperation with pharmaceutical wholesaler PDF Slawex Sp. z o.o. This company has over 20-year experience in distribution of pharmaceutical products to pharmacies, pharmacy outlets, herbal stores and doctor's offices. Currently, PDF Slawex cooperates with over 3,000 customers.

The Management Board of Pharmena S.A. estimates that the cooperation with Slawex will, over the next few years, significantly contribute to the increase of the Company's revenue. Terms of cooperation were established on the market conditions.

Commencing this cooperation lies within the realisation of the Company's updated Strategy for 2012-2015 in the scope of dermatological activities, i.e. expansion of product distribution by entering into cooperation with new pharmaceutical wholesalers (the Issuer informed about the strategy's assumptions in current report no. 16/2012 of 13th April 2012).

The information is made public due to the fact that there is potentially significant influence of cooperation with the wholesaler Slawex on the revenues from sale resulting from the change in product distribution structure.
